Some Common Questions

• What are the recent trends for domestic master’s admissions and new enrollments?
• Are we enrolling/graduating more underrepresented minority students?
• Has our program become more selective?
• Do females take longer to complete?
What are Program Profiles?

Question 1: Masters Admissions

What are our recent trends for domestic masters application, admissions, and new enrollments?
Question 2:

How does the time to degree for female doctoral students compare with males in our program?
Future Enhancements

• Financial support patterns
• Attrition and completion
• Peer comparisons
